

Little Fish, Little Fish,  
What Do You See?

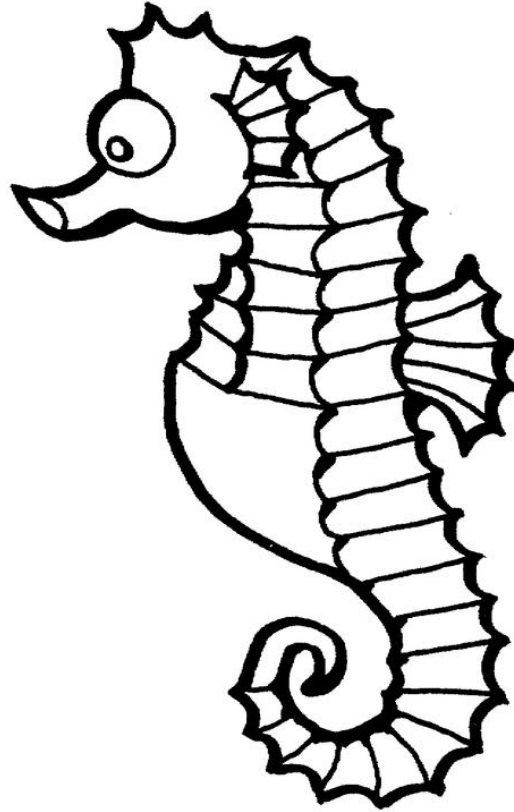

By: \_\_\_\_\_

Little fish, little fish,  
what do you see?

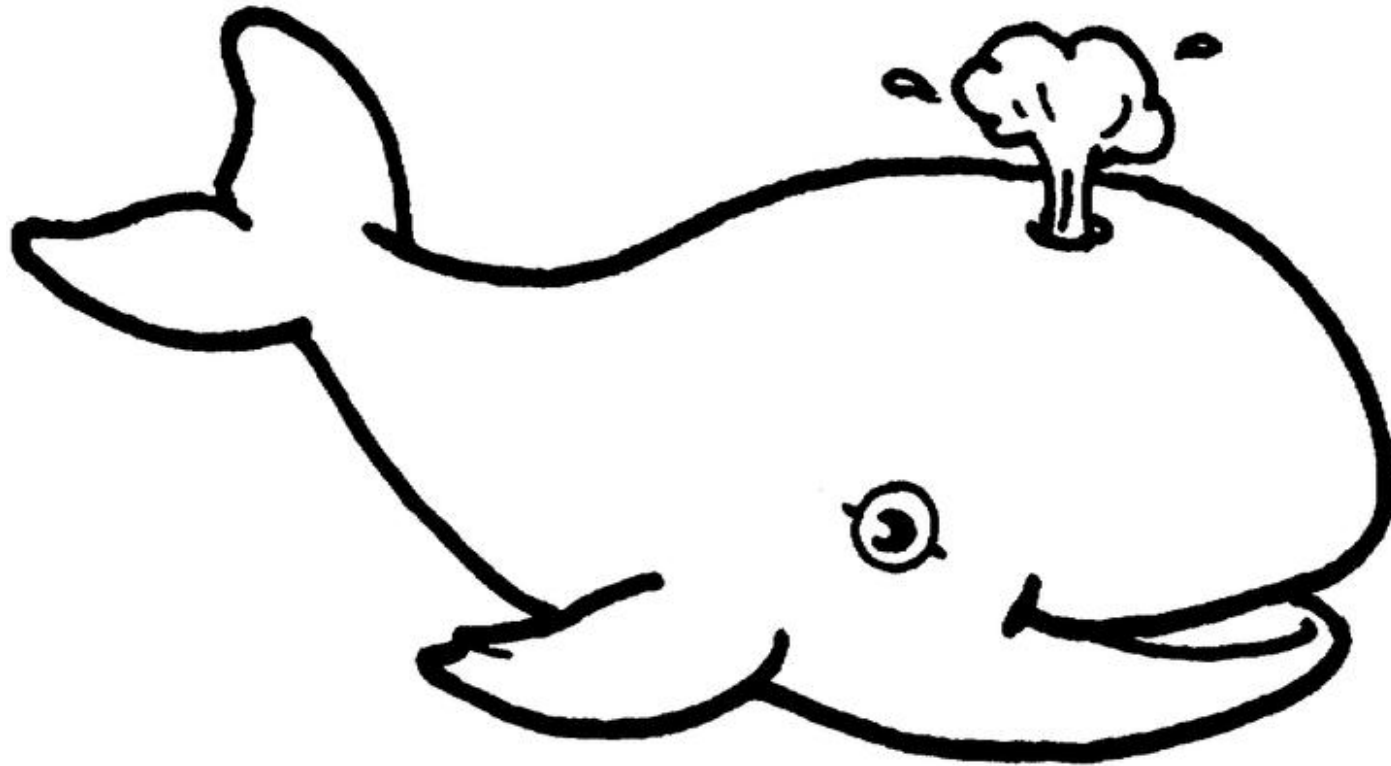

I see a gray shark looking at me.

Little fish, little fish,  
what do you see?

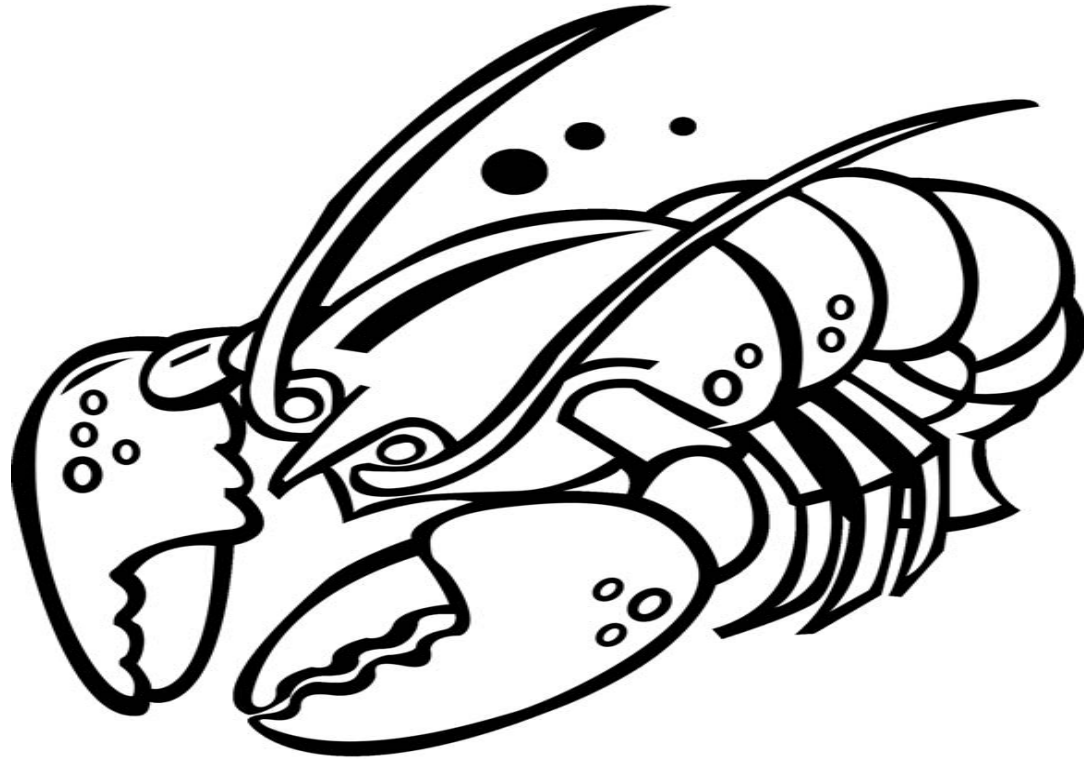

I see a yellow sea horse looking at me.

Little fish, little fish,  
what do you see?

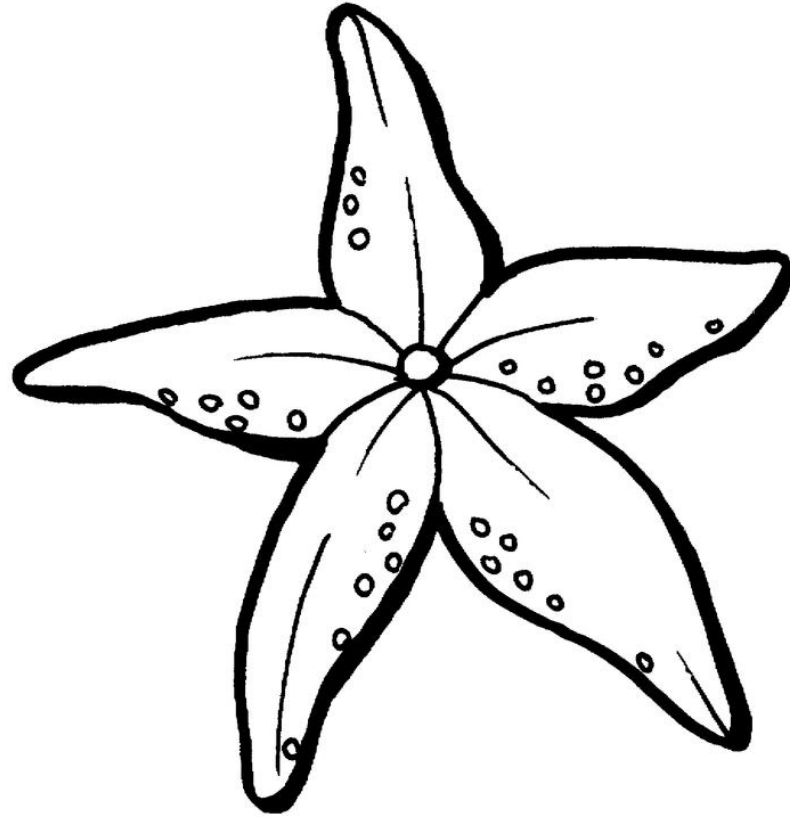

I see a blue whale looking at me.

Little fish, little fish,  
what do you see?

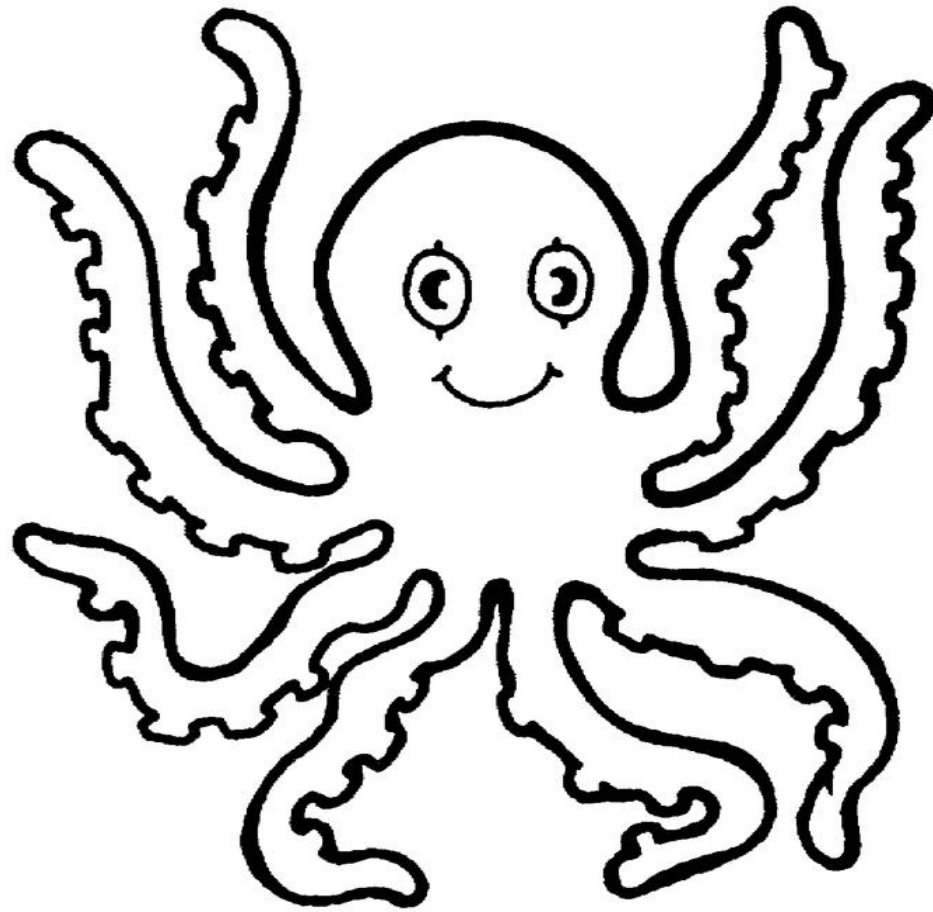

I see a red lobster looking at me.

Little fish, little fish,  
what do you see?

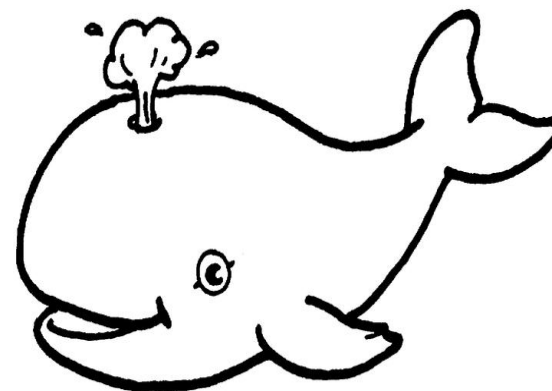

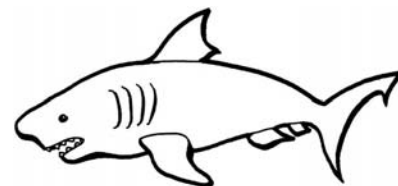

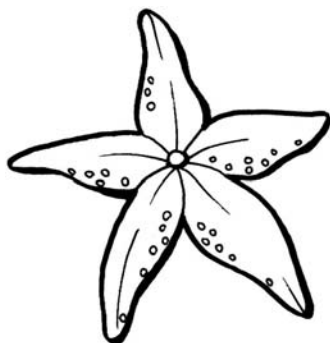

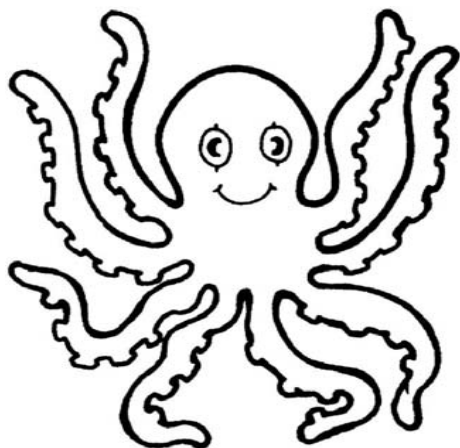

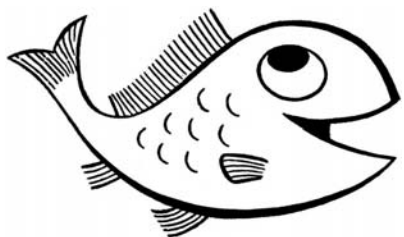

I see an orange starfish looking at me.

Little fish, little fish,  
what do you see?

I see a purple octopus looking at me.

Little fish, little fish,  
what do you see?

I see lots of sea creatures looking at me.
